

**California Department of Housing and Community  
Development  
Notice of Public Workshop and Agenda  
Regarding: Proposed Building Standards Relating to  
the California Plumbing and Mechanical Codes**

The Department of Housing and Community Development (HCD) is developing building standards related to the 2004 California Plumbing Code (CPC) and the 2004 California Mechanical Code (CMC). The 2003 Uniform Plumbing Code and 2003 Uniform Mechanical Code published by the International Association of Plumbing and Mechanical Officials (IAPMO) are proposed as the base documents referenced by the California Plumbing Code and California Mechanical Code. A public workshop on this project will be held on **August 22, 2003**, at the following location:

1800 Third Street, Room 183/185  
Sacramento, California  
8:00 am – 4:00 pm

Please note, if you wish to have specific building standards considered for inclusion into the above-referenced building codes, please provide a written description of the proposed building standard and any supporting documentation you desire to be in the record before 4 p.m. August 22, 2003.

Please respond to the contact person listed below no later than **August 14, 2003**, to advise if you would like a copy of the proposed amendments to the 2003 UPC and the 2003 UMC in either electronic format or paper copy or if you have any questions.

**Contact Person:** Wendy Shaffer
